**Administrative Reports**

**Bonita state B rating**

Mr. Truschke said Bonita received our letter grade from the state. The state has been issuing warnings that the letter grade would be lower than usual due to covid and other issues. We are pleased to receive Bonita’s rating of a B. We were only 3 points away from an A. Mr. Truschke said that with the criteria to appeal the rating there really wasn’t anything to appeal. We outshined a lot of schools our size in the state.

**Budget Revision**

Mr. Truschke said that Bonita will be doing a budget revision in December. We are missing a high cost student that we originally had in the budget. That student is no longer here, which puts our budget off a little bit. We’ve already compensated for that, but because it falls within a certain percentage of what we submitted and what they require us to do a budget revision for December. It will be an adjustment in the budget revision that is pretty easy just to fix one number. Nothing else will really change except for that one number.

**AEL Expenditure Limit**

The Department of Education reported that there would be a 17.5% reduction for Education funding if the legislature doesn’t approve the funds allotted for Arizona schools. The funds are there, they just need to approve it again. If they do not approve lifting the expenditure limit before March. Bonita’s part is \$349,000 to cut from our budget. Mrs. Macumber wondered if they were just waiting for after elections to do this. Mr. Truschke said maybe, because Ducey is the one that would have to force them to meet. The money is already there, we just have to get permission to spend the money.

**Administrative Reports**

**Veterans Day Breakfast**

Mr. Truschke said that Shelley Michaels organized our Veterans Day Breakfast this year having the DAR Daughters of American Revolution assist in it along with some Veterans that cooked for staff, students and visiting Veterans. He said it all went very well and he was glad to be a part of this annual event that, because of COVID we have been unable to participate in.

**Nature Sweet~TAXES**

Nature Sweet did not pay their taxes. Last year they wired the funds at the latest time acceptable in January. Probably in December we will receive a notice from the county that they will issue us a letter to go to the state to request funds if Nature Sweet does not pay in January to cover our expenses. We have put a hold on spending so that we can cover payroll.

**Adjournment**

There being no further business Mr. Kramme adjourned the meeting at 8:25 a.m.
