

March 20-23, 2023

Dear Parents,

We will be celebrating “National School Breakfast Week”, starting the week of March 20th after spring break. Each student that comes to eat breakfast will get a punch card. If they eat breakfast every day that week, they will get their card punched and will be put into a drawing for a chance to win a prize. There will also be a coloring contest. We will be serving some fun food options like yogurt and fruit parfait, and pancakes with a fruit topping. Our goal is to make sure that the students are getting the fuel they need to start the day out right. Studies show that students who eat school breakfast are more likely to:

- Reach higher levels of achievement in reading and math
- Have better concentration and memory
- Be more alert
- Maintain a healthy weight
