**MINUTES OF THE PUBLIC HEARING: Instructional Time Model**  
**November 8, 2021**

Date, Time & Place of Meeting	The Instructional Time Model Hearing was held in the gymnasium.
Call to Order	The meeting was called to order by the President: Mr. Kramme at 8:05 a.m.
Review of Budget	Mr. Kramme turned the budget hearing over to Mr. Jonathan Truschke. This instructional model allows schools to provide flexibility in a manner and method which instructional hours can be provided to students. It cannot take the place of 50% of the required instructional hours in the 2021-22 school year or 40% of required instructional hours in subsequent school years. A plan must be submitted to the Arizona Department of Education to notify the department of the contents of the ITM for the 2021-22 school year. This allows schools to collect funding for days out. Our time model is similar to Willcox and Thatchers. This is a presentation of the model we can adopt the Instructional Time Model during the next meeting.
Adjournment	There were no further questions, and the Instructional Time Model hearing was adjourned at 8:08 a.m.  Minutes prepared and made available to the public on 11/9/21 Cyndi Brewster  Dated this _____ day of _____, 20____. <u>Bonita Governing Board</u> By _____ [authorized signature]
